- (iii) Not to make or cause to be made any structural addition to the Common Elements without the prior written consent of the Association, unless otherwise permitted under this Declaration.
- (iv) To make no alteration, repair, replacement, or change of the Common Elements, or to any outside or exterior portion of the building, whether within a Unit or part of the Common Elements.

(B) In the event a Unit Owner fails to maintain the Unit as required herein or makes any structural addition or alteration to the Common Elements without the required consent of the Association, or fails to permit entrance to the Association, or its authorized agents, the Association shall have the right to proceed either at law or in equity for whatever appropriate remedy the circumstances require. In lieu thereof and/or in addition to this remedy, the Association, through the Board, shall have the right and power to levy an assessment against the Unit Owner and the Unit itself for such necessary sums to remove any unauthorized structure or alteration and to restore the Privity to its former condition. The Association and/or the Board on its behalf, shall have the further right and power to have its employees or agents, or any subcontractor appointed by it, enter the Unit at any and all reasonable times, to do such work as it deems

necessary by the Board to enforce compliance with the provisions hereof.

9.3 Common Expenses Associated with Limited Common Elements or Benefiting Less Than All Units.

(A) Any Common Expense associated with the maintenance, repair, or replacement of a Limited Common Element shall be assessed against the Unit, or in equal shares to the Units to which such limited Common Element was allocated at the time the expense was incurred.

(B) The Association may assess any Common Expense benefiting less than all of the Units against the Units benefitted in proportion to their Common Expense liability.

9.4 Units. Each Unit Owner shall maintain his Unit at all times in a good and clean condition, and repair and replace, at his expense, all portions of his unit; shall perform his responsibilities in such manner as not to unreasonably disturb other Occupants; shall promptly report to the Board, or its agents, any defect or need for repairs, the responsibility for which is that of the Association; and, to the extent that such expense is not covered by the proceeds of insurance carried by the Association, shall pay all costs to repair and replace any portion of another Unit that has become damaged or destroyed by reason of his own acts or omissions, or the acts or omissions of any occupant of his Unit. Such payment shall be made upon demand by the Unit Owner of such other Unit. Nothing herein contained shall modify any waiver by insurance companies of rights of subrogation.

9.5 Waiver of Claims. Except as otherwise provided, the Association agrees that it shall make no claim against a Unit owner or occupant, and each Unit Owner and occupant agrees that he shall make no claim against the Association, the members of the Board, officers of the Association, or employees or agents of any thereof, or against any manager retained by the Board, or his or its officers, directors, employees or agents, or other Unit owners or Occupants, for any loss or damage to any of the Property, or to a Unit or personal property therein, even if caused by the omission or neglect of any one or more of such persons and all such claims are hereby waived and released; provided, that this waiver shall not apply to any such loss or damage due to intentional acts.

9.6 Right of Entry.

(A) By the Association. The Association, and any person authorized by the Association, may enter any Unit or any of the Limited Common Elements in case of any emergency or dangerous condition or a situation originating in or threatening that Unit or any of the Common Elements. The Association, and any person authorized by the Association, after reasonable notice to a Unit Owner or occupant, may enter that Unit or any of the Limited Common Elements for purposes of performing any of the Association's duties or obligations or exercising any of the Association's powers under the Act, this Declaration or the By-laws with respect to that or any other Unit, any Limited Common Elements, or the Common Elements. Notwithstanding Section 9.5, the Association shall be responsible for the repair of any damage caused by the Association or its authorized person to the entered Unit, and the cost thereof shall be a Common Expense. All such entries shall be made and done so as to cause as little inconvenience as possible to the Unit Owner and Occupant of the entered Unit or any portion of the limited Common Elements allocated to the Unit Owner.

(B) By Unit Owners. Each Unit Owner and occupant shall allow other Unit owners and occupants, and their representatives, to enter his Unit, or Limited Common Elements allocated to his Unit, when reasonably necessary for the purpose of altering, maintaining, repairing or replacing the Unit or performing the duties and obligations under the Act, this Declaration or the By-laws of the Unit Owners or Occupant making such entry, provided that requests for entry are made in advance and that such entry is at a time convenient to the Unit owners or occupant whose Unit or Limited Common Element is to be entered. In case of an emergency or dangerous condition or situation, such right of entry shall be immediate. Notwithstanding Section 9.5, the person making such entry shall be

responsible for repair of any damage caused by such person to the entered Unit or Limited Common Elements.

9.7 **Manager.** The Association may enter into a contract with a management company or manager for the purposes of providing all elements of the operation, care, supervision, maintenance, and management of the Condominium. All the powers and duties of the Association necessary or convenient for such maintenance and management may be delegated to and invested in the manager by the Board, except as are specifically required by this Declaration, the By-laws, or the Act, to have approval of the Board or the Association. The manager is hereby further authorized to recommend the annual budget, and, upon approval thereof by the Board, collect assessments, subject always to the supervision and right of approval of the Board.

All other affairs of the Association shall be conducted by a Board who shall be designated as provided in the By-laws of the Association.

ARTICLE X

INSURANCE

Insurance coverage on the Property shall be governed by the following provisions:

10.1 **Ownership Of Policies.** All insurance policies upon the Property shall be purchased by the Board for the benefit of the Board and the Unit Owners and their mortgagees as their interest may appear, and provisions shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Unit Owners. Unit Owners may, at their option, obtain insurance Coverage at their own expense upon their own personal property and personal liability and business interruption and such other coverage as they may desire.

10.2 **Coverage.** All buildings and improvements upon the land and all personal property included in the Common Elements shall be insured in an amount equal to the maximum insurable replacement value as determined annually by the Board with the assistance of the insurance company providing such coverage. Such coverage shall provide protection against

- (A) loss by fire and other hazards covered by a standard extended coverage endorsement,
- (B) such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the building on the land, and
- (C) workmen's compensation insurance, if and to the extent required by law.

The Board may, if it so elects, include in its insurance coverage for the benefit of the Unit owners any or all of those items owned by the Unit Owners which would normally be deemed real estate under the laws of North Carolina, including, without limitation, such items as sheetrock, non-load bearing walls, doors and built-in appliances. If such items are included in the insurance coverage, the extra cost of such coverage shall be borne by the Unit Owners in the same ratio that applies to other assessments.

To the extent obtainable, public liability and property damage insurance in such limits as the Board may from time to time determine, shall be purchased, insuring each member of the Board; the manager, if any; and each Unit owner against any liability to the public or to the Unit Owners (and their invitees, agents, and employees) arising out of or incident to the ownership and/or use of the Common Elements. The insurance shall be issued on a comprehensive liability basis and shall contain a cross liability endorsement under which the rights of a named insured under the policy

shall not be prejudiced with respect to his action against another insured. Such other insurance coverage shall also be obtained as the Board shall determine from time to time to be desirable and necessary.

10.3 Premiums. Premiums upon insurance policies purchased by the Board shall be paid by the Association.

10.4 Proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit owners and their mortgagees as their interests may appear, and shall provide that all proceeds thereof shall be payable to the Board as insurance trustee under this Declaration. The sole duty of the Board as insurance trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated or stated in the By-laws and for the benefit of the Unit owners and their mortgagees in the following shares:

(A) Proceeds on account of damage to Common Elements an undivided share for each Unit owner, such share being the same as each Unit Owner's undivided interest in the Common Elements.

(B) Proceeds on account of damage to Units shall be held in the following undivided shares:

(i) when the building is to be restored - for the Unit Owners of damaged Units in proportion to the cost of repairing the damage suffered by each Unit owner, which costs shall be determined by the Board;

(ii) when the building is not to be restored - an undivided share for each Unit owner, such share being the same as each Unit Owner's undivided interest in the Common Elements.

(C) In the event a mortgagee endorsement has been issued as to a Unit, the share of the Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear.

10.5 Carrier. The carrier of each type of insurance purchased by the Association shall be an insurance company authorized to do business in the State of North Carolina as selected, from time to time, by the Association.

10.6 Additional Coverage. Each individual Unit Owner shall be responsible for purchasing, at his own expense, including but not limited to, liability insurance with respect to his ownership and/or use of his Unit, coverage upon his own personal property, business interruption, fire and other hazards, mortgage insurance and such other insurance as the respective Unit Owner deems necessary or desirable. Any insurance procured by any Unit Owner shall provide that it is without contribution against the insurance purchased by the Association. If a casualty loss is sustained and there is a reduction in the amount of proceeds that would otherwise be payable on the insurance purchased by the Unit Owner, such Unit Owner shall be liable to the Association to the extent of such reduction and shall pay the amount of such reduction to the Association upon demand, and shall assign the proceeds of such reduction to the Association.

## ARTICLE XI

### CASUALTY DAMAGE

In the event of a taking by eminent domain, or by a conveyance in lieu thereof, of all or any part of the Property, the same shall be repaired or restored and the awards paid on account thereof shall be used and applied in accordance with Section 47C-1-107 of the Act.

**ARTICLE XIII**

**TERMINATION**

The Condominium may be terminated only in strict compliance with Section 47C-2-118 of the Act, except that the Condominium may be terminated by agreement of Unit Owners to which at least seventy-five percent (75%) of the votes in the Association are allocated.

**ARTICLE XV**

**AMENDMENT**

This Declaration may be amended only in strict compliance with Section 47C-2-117 of the Act Except as limited by Section 47C-211(d) , this Declaration may be amended only by the affirmative vote of, or a written agreement signed by, Unit Owners of Units to which at least seventy-five (75%) percent of the votes in the Association are allocated. No such amendment shall be effective until recorded in the Office of the Register of Deeds of Wake County, North Carolina.

**ARTICLE XVI**

**RIGHTS OF FIRST MORTGAGEES, MISCELLANEOUS PROVISIONS**

The following provisions shall take precedence over any other provisions of this Declaration and the By-laws:

- 16.1 Availability of Condominium Documents, Books, Records and Financial Statements. The

Association shall, upon request and during normal business hours, make available for inspection by Unit owners and the mortgagees and his insurers and guarantors of a mortgage on any Unit, current copies of the Declaration, the By-laws, other rules and regulations governing the Condominium and the books, records and financial statements, if any, of the Association. The Association shall provide an audited financial statement for the preceding fiscal year if requested in writing by a Mortgagee or insurer or guarantor of a mortgage. The Association shall, upon request and during normal business hours, make available for inspection by prospective purchasers of Units, current copies of the Declaration, By-laws, other rules and regulations governing the Condominium, and the most recent annual audited financial statement (if one is prepared).

16.2 Breach of Restrictions. In the event of a violation or a breach of any other restrictions contained in this Declaration or of any other covenants contained in this Declaration, the By-laws or rules and regulations of the Association by any Unit Owner or occupant, the Association shall have the right to proceed at law or in equity, or both, to compel compliance with the terms of or to prevent the violation or breach of this Declaration, the By-laws, or rules and regulations of the Association. In addition to the foregoing, the Association, its Board or agents shall have the right, whenever there shall have been any violation of these restrictions, to enter upon the Property where such violation exists and summarily abate or remove the same at the expense of the Unit Owner, if after thirty (30) days written notice of such violation it shall have not been corrected by the Unit Owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any right, reservation, or condition in this Declaration, the By-laws, or rules and regulations however long continued, shall not be deemed a waiver of the right to do so thereafter, as to the same breach or as to a breach occurring prior or subsequent thereto, and shall not bar or affect its enforcement.

16.3 Right of First Refusal. The right of a Unit Owner to sell, transfer, mortgage or otherwise convey his interest in his Unit shall not be subject to any right of first refusal.

16.4 Rights of Mortgagee: Insurance Proceeds or Condominium Award. With respect to mortgages held by or for the benefit of Mortgagees no provision of this Declaration or the By-laws shall be deemed to give a Unit Owner, or any other party, priority over any rights of a mortgagee pursuant to its mortgage on said Unit owner's Unit, in the cause of a distribution to said Unit Owner of insurance proceeds or condemnation awards for lessee to or a taking of Units and/or Common Elements.

16.5 Rights of Mortgagee: Amendment to Plans. The percentage of undivided interest or obligation of any Unit for purposes of determining shares of the Common Elements of the Condominium shall not be changed except in conformity with the Act and unless all holders of first mortgage liens on individual Units have given their prior written approval.

## ARTICLE XVII

### WATER AND SEWER CHARGES

Water may be supplied to all the Units and the Common Elements through a master water meter and the Unit Owners shall pay to the Association, as a Common Expense, all charges for water consumed on the Property, including water consumed by the individual Unit owners with the cost of said water to be a Common Expense of the Association. Sewer charges, if any, shall be considered a Common Expense and paid for by the Association.

ARTICLE XVIII

**GENERAL PROVISIONS**

18.1 Construction. In interpreting any and all provisions of this instrument, the exhibits attached hereto, and subsequent deeds and deeds of trust covering individual Units, the actual location of the Unit shall be deemed conclusively to be the Property intended to be conveyed, reserved or encumbered notwithstanding any minor deviations, either horizontally or vertically, from the locations indicated on the Architectural Plans, or in minor variations in the description of the Unit contained herein. To the extent that such minor deviations in location do or shall exist, a valid easement therefore and for the maintenance thereof does and shall exist.

18.2 Invalidity. The invalidity of any provisions of this Declaration shall not be deemed to impair or affect in any manner the validity and enforceability or effect of the remainder of this Declaration, and in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

18.3 Waiver. No provisions contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

18.4 Captions. The captions herein are inserted only as a matter of convenience and for reference and in no way to define, limit or describe the scope of this Declaration nor the intent of any provisions hereof.

18.5 Law Controlling. This Declaration and the By-laws shall be construed and controlled by and under the laws of the State of North Carolina.

18.6 Definition of Terms. Any terms used herein which are defined in the North Carolina Condominium Act shall have the meaning specified in said Act unless a contrary intent clearly appears.

18.7 Merger of Units. Nothing herein before set forth in this Declaration shall be construed as prohibiting the Board from removing or authorizing removal of any common wall between Units, or any portion thereof, between any Units in order that the said Units might be used together as one Unit. If a Unit Owner desires to sell, transfer or convey title to the original component Units of any previously merged Units, such Unit owner shall have the sole obligation to restore or repair the common wall between such Units as nearly as practicable in accordance with the Architectural Plans and specifications.

18.8 Warranties and Representations. The Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Property or the Condominium documents, except as specifically set forth herein, and no person shall rely upon any warranty or representation not so specifically made therein. Any estimates of Common Expenses, taxes or other charges are based on information deemed reliable by the Declarant, and therefore accurate as a projection, but no warranty or guaranty is made or intended to be made, nor may one be relied upon.

18.9 Control of Parking. The Association shall have authority to restrict parking of motor vehicles within the Property affected by their covenants and shall also have the authority to repair the street within said Property.

18.10 Covenants. All provisions of this Declaration and exhibits attached hereto and amendments

hereof, shall be construed to be covenants running with the land, and of every part hereof in interest therein, including but not limited to every Unit and the appurtenances hereto including the Common Elements and every Unit Owner and claimant of this Property or any part thereof, or of any interest therein, his heirs, executors, administrators, successors and assigns, shall be bound by all of the provisions of said Declaration and exhibits annexed hereto and amendments therefore.

IN WITNESS WHEREOF, the undersigned has executed this Declaration as of the day and year first written above.
