Cornerstone Park

2025 Pool Packet

Opening Date: May 2nd

Closing Date: September 21st

Access

To access the pool area, you must have an activated pool fob. For security reasons, **ALL** fobs are deactivated when pool season ends. To have your fob(s) activated for the 2025 season, complete the enclosed POOL REGISTRATION FORM. Please submit by April 17th to ensure your fob is activated in time for the May 2nd opening date. Last minute fob requests may not be processed in time. A deactivated fob is not an afterhours emergency. This form is also available online and in a fillable format!

Lost Your Fob?

If you need a replacement fob, please return the same form, but select the applicable section. There is a \$20 replacement fee. If you are a new owner and did not receive a fob at closing, please select this option as well to have a fob issued to your home.

Do you have tenants?

If you have tenants, you must submit this form on their behalf!

Hours

Pool hours are 9 am until dusk (Gate entry deactivated at 8:00 pm). Adult lap swim hours are from 6 am - 9 am. If you wish to take advantage of this community benefit, please fill out and submit the enclosed Adult Lap Swim Waiver Form. This is also available online in fillable format!

Rules

The current pool rules are enclosed. There are no pool attendants on site. Please note there are security cameras. Please use caution and be respectful of others while at the pool. Violations and acts of vandalism may result in loss of pool use.

We wish everyone an enjoyable and safe pool season! Please remember to follow all public health guidelines.
