

# DUNBARTON HOMEOWNERS ASSOCIATION VEHICLE DECALS

The association has high quality decals with the Dunbarton logo available for all residents to place on their vehicles. The logo is designed to communicate the look and feel of Dunbarton. The decals have multiple purposes:

- Confidence! When you see a vehicle displaying the Dunbarton decal parked near your home, at the recycling area, or at the clubhouse, you can be sure that it's a neighbor.
- A vehicle without a Dunbarton decal seen dumping trash or parking in odd spots at odd times in Dunbarton can be reported to the property manager.
- Pride! Residents love Dunbarton and displaying our logo proves it without naming our location.

The decal should be placed inside your vehicle's rear window behind the driver. The decal is easy to install with no glue or permanent adhesive. Simply remove the decal from the backing and place it on the glass. If you need a decal, please contact Eva Mogensen at [ejm85n@gmail.com](mailto:ejm85n@gmail.com).

If you have a home assistant or other employee who consistently parks in Dunbarton, they may qualify for a decal.

We hope that every Dunbarton vehicle will display our logo as a decal on their vehicle.
